Good morning,

Yes there will be a mini-guzzler on-site.

Hi Abraham,

Can you please confirm that we have a septic tank truck available for tomorrow?

Please advise.

Thank you!

Hi Diana,
We heard from our counterparts in CD7 that their RV pilot did not have a septic tank truck at their RV Pilot today. **Do we have one for our pilot tomorrow?** It is very important that we have this component, as it provides a vital service especially during these Covid/spot cleaning times.
